Dear parents,

Greetings!!

Please be informed that if there is thick fog in any day, then the classes will start only at 9 am. Information will be send to you by SMS.

As per the instructions received from ADEK & DOT school buses are not allowed to collect students when there is thick fog on any day. The picking of children will start only after the fog cleared. So the students who are using the transport kindly contact your respective bus drivers for the picking time whenever there is fog.

Thanks for your cooperation.
