

Circular to Parent: Regarding CAT4 Report 2018-19

Dear Students / Parents,

Greeting!!!

"Success is the sum of small efforts, repeated day in and day out."

Congratulation to all the students participated for CAT4, we appreciate all the effort of the students, staffs and the support given by the parents to make it happen.

This is to inform you CAT4 2018-19 report for the Grade III, VI and VIII are uploaded in school portal, kindly login to the school portal using www.gulfmodelschool.com, click to E-school and log-in using username and password provided to you for downloading the same.

CAT4 (Cognitive Ability Test) is one of the mandatory components in all Dubai schools for Grade III, VI, and VIII; other than ASSET, which is the benchmark assessment in English, Mathematics, and Science for Grade III to IX. ASSET test the concepts underlying in the school curriculum. It provides comparative data on a school performance through benchmarking and analysis. Students are benchmarked with their peers across the country and internationally, to help them understand where they stand, with targeted practice questions.

The Cognitive Abilities Test (CAT4) is a diagnostic assessment that is designed to

1. Help students, parents and their teachers understand how they learn and what their academic potential might be.
2. It assesses the areas that are known to make a difference in learning which assesses how well they can think about tasks and solve problems using a range of different questions.
3. As no special training or practice is required to complete the test as it shows the reasoning ability of a child, likely academic potential.
4. It helps to support with their positive ability to overcome the weakness.
5. It also help to find the gap between ability and attainment.
6. Summary for parents about your ward is explained in the report as well as the type of questions and roll of CAT4 is also explained.
7. CAT4 helps to set a future target for their areas of strength and improvement strategies in the area to overcome.
8. It is used for admission testing.

Parents can discuss more with the class teacher or connect with Ms. Fathima Riyaz (External Examination Coordinator) via fathimargmsdubai@gmail.com

Please feel free to communicate for further clarification regarding your concerns to school via phone on 04-2544222.

Thanks and Regards,

Dr. SK
