## School Bag Policy

---

### Introduction

We are very proud of the uniform at Al Ain American School including our branded school bags. Students are expected to wear their uniform for all school days. When travelling to and from the school we ask that students are smart and in full school uniform, including their tie (Grades 3-7) and branded school bag, as they are representing the school in public.

### School Bags

---

Please note the following guidelines:

- Students may only use the official branded Al Ain American School Bags.
- Only students in Grade 1-7 are allowed to use the trolley bag. Students in KG may use either the book bag or backpack.
- School bags are to be placed in students' lockers during school hours.
- Students should plan what they need for school the night before the next school day and take only what they need according to the lessons and activities for that day.
- Students should avoid heavy items and opt for lighter water bottles and pencil cases, where possible.
- Students who lose their school bag may check the lost property box
- Students who break or damage their school bag will need to purchase a new school bag from the school's uniform supplier Zaks.

There is an expectation that all parents fully support the school by ensuring that their son/daughter attends school in the correct uniform and uses the official branded Al Ain American School Bag.

The school uniform supplier is Zaks and orders can be made by calling the store or visiting the school page on Zaks' website. Address: Zaks Store – Al Ain, Ground Floor Room 13, 14, Lulu Hypermarket LLC, Kuwait Area, Al Ain
