## Greetings from Habitat Family!!

Dear parents,

**This is to bring to your kind notice that the MOE has made mandatory for all schools in UAE to conduct assessment tests for the students. Based on the Instruction from Ministry, our school is planning to conduct ASSET Assessment.**

**ASSET is a unique test that checks the depth of students' understanding on every topic. The fee for the test is AED 74 (inclusive of English, Maths and Science).** It has to be paid to the class teachers on or before 20<sup>th</sup> November.

The Knowledge and Human Development Authority (KHDA) has now recognized and confirmed ASSET as the best suited assessment for all Indian curriculum schools and has mandated all Indian schools to take up this assessment for grades 3 to 10.

Educational Initiatives, the makers of ASSET, has been empaneled by the KHDA to assist with the implementation and administration of ASSET as part of the KHDA National Agenda Parameter.

Over 3000 schools across several countries have incorporated ASSET as part of their curriculum and over 1 MILLION children have taken ASSET so far over the past several years.

### HOW DO STUDENTS BENEFIT FROM TAKING ASSET?

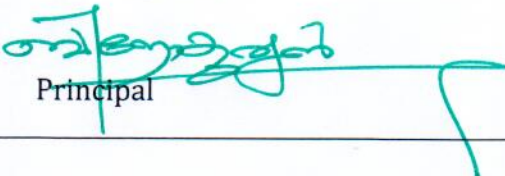

Students get a personalized comprehensive view of their performance, in the Student My Book, on the test along with detailed insights on their strengths and areas that need improvement. **Students also get benchmarked with their peers across the country and internationally, to help them understand where they stand, along with targeted practice questions.**

ASSET papers are designed by subject experts who specialize in designing questions that test understanding of a concept in an interesting manner. This makes the testing experience stress-free and fun for students. Please note that no prior preparation is required for the test. Students benefit greatly from the individualized analysis, remedial instructions and questions that they can use to practice at home. As directed by the MOE, we are registering our school for ASSET in 2018.

The tests will be conducted by pen and paper version of ASSET, the dates for the test are from December 4<sup>th</sup> to 6<sup>th</sup>. Kindly ensure that your ward registers and attends the exam as, individually these tests give extremely useful feedback for sustained improvement in academics.

Preparation for ASSET: The School provides benchmark assessment preparation during Class hours by the Subject Teachers. Also the students will have Asset Practice Sessions in the Cyber Square Portal. Students may visit [www.aqad.in](http://www.aqad.in) to sign up to receive their grade appropriate questions to familiarize themselves with the type of questions asked in Asset.

With Regards,

  
Principal
