Dear Parents,

***“Greetings from Habitat family”***

Kindly be informed that we discourage early pick up of the child from the school. No child will be allowed to send out during the normal school hours (7.40 am to 1.40 pm), unless it is an emergency. In future, for early exit of students, the parents must inform the school before 12.40 pm. The request which will be forwarded after allotted time (12.40 pm) will not be approved as it is a matter of concern for child's safety.

In case of early pick up of child for any valid reason, you have to fill Early Pick up form available in the school reception and submit it to the receptionist. Please be patient and wait in the lobby until your child is brought to you by the staff. The procedure will take 5 - 15 mins depending on the ongoing school period. Thank you.
