

# Learn On

Even after the last bell...

In order to further equip students in extra curricular disciplines the school has created its signature **Learn On** program where students if they so choose can engage in sports and performing art disciplines after school hours.

**Students can select any two activity from the following**

| Activities             | Grades                       |
|------------------------|------------------------------|
| Arabic (for beginners) | Grade 1 to 10 (Boys & Girls) |
| Football               |                              |
| Karate                 |                              |
| Badminton              |                              |
| Basketball             |                              |
| Table Tennis           |                              |
| Instrumental Music     | Grade 1 to 10 (Boys)         |
| Dance                  | Grade 1 to 10 (Girls)        |
