National Day Celebrations Monday 27th November 4:30pm-8pm

Dear Parents,

Wales International School is making the final preparations for this year's National Day celebrations on Monday 27th November. We would like to celebrate National Day with a special event within the school that will help raise national pride and cultural awareness of the great United Arab Emirates.

In order to help our students, become more involved, we have two competitions, a photography completion and a car decorating competition. Our Art teacher Ms. Ana has discussed this with all students and the information has been sent to you via Class Dojo. Please encourage your child to submit their competition entry on Sunday 25th November.

This year we are maximizing the day by splitting it into two parts. The first part will be students and teachers only from **7:30am until 12:20pm**. During this time, we request that you send your child to school wearing National Dress, as we will have a day filled with purposeful National Day activities. All buses will leave at 12:20pm. Please collect your child at 12:20pm on this day.

The evening event will be from **4:30pm – 8pm** when all family members of our Wales community are welcome to attend. Please bring your children! The concert will begin at 6:00pm. This year we have a professional photographer, therefore no photographs will be allowed in the Auditorium .

We hope to make our National Day celebrations memorable for the whole Community. We are particularly grateful to our very active Mothers Council who have been helping to organize the event since September.

Through this day and with the support of all of our parents we hope that our students will gain a new understanding of the rich culture and heritage of the UAE.

I look forward to welcoming you all on Monday 27th November.

Yours sincerely,
